Exhibitor & Sponsorship Opportunities Available!

POC events offer you a unique way to reach your audience face-to-face, gather contact information, and personally interact with your future clients.

Jamboree Summer Opportunities Fair

Held every March, drawing 3500 visitors, the Jamboree is hosted at Orange County's premiere learning and fun museum — Discovery Cube OC — and features 80 exhibitors in the areas of summer camps, summer programs, sports leagues, education, family travel and more, along with the Cute Kid Cover Contest (see below).

Cute Kid Cover Contest

OC's largest cover model competition for children, the Cute Kid Cover Contest takes place at Jamboree (see above) but is ready to break out on its own with the right sponsor. From 150 children of all ages, four winners are chosen to be cover models on Parenting OC's monthly magazine.

Learn & Grow Expo

Scheduled each fall and hosted at Discovery Cube OC, this free family event focuses on health, education and special needs resources, featuring over 60 exhibitors and health programs that offer free screenings to the entire family. Also includes the fast-growing Bubble-Dash Games (see below).

The Bubble-Dash

Exciting to watch and wildly popular, this inflatable obstacle course competition takes place in the Discovery Cube parking lot. Racing for the best time over giant slides and running inside Zorb balls like hamsters, over 100 children compete for prizes and to be on the cover of Parenting OC.

Top Teachers, Employees & Leaders of OC

Each February at Bowers Museum, over 300 teachers, principals and school employees gather for a wine and hors d'oeuvres reception and awards ceremony to find out the winners of the annual school awards. These winners are featured in Parenting OC's March issue.

If you are interested in having us produce your event or partnering with Parenting OC, please call your Media Sales Director or 714-630-4510.

Materials

Please submit all ads in PDF, JPG or PNG formats only. We cannot accept any files created in Microsoft Powerpoint, Microsoft Word, or any other non-graphic program. Ad files must be at least 300 dpi (dots per inch). Do not use images downloaded from the Internet, as these images usually have a resolution of 72 dpi and are not sufficient for print. If using black on your ad, please make sure that it is a "true" one color

black rather than four color black. Lastly, please make sure your file is saved in the CMYK color format before submission.

Ads which have relatively small files sizes (10MB or less) may be e-mailed to your sales representative. All other ads must be submitted either on a CD, through a file hosting website or via your FTP server. Please call regarding any questions.
