

## 2025 Exhibitor & Sponsorship Opportunities Available!

POC events offer you a unique way to reach your audience face-to-face, gather contact information, and personally interact with your future clients.

### Jamboree Summer Opportunities Fair

Held every March, drawing 3500 visitors, the 2025 Jamboree is hosted at The District at Tustin and features 60 exhibitors in the areas of summer camps, summer programs, sports leagues, education, family travel and more.

### Cute Kid Cover Contest

OC's largest cover model competition for children, the Cute Kid Cover Contest takes place at Learn & Grow (see below) but is ready to break out on its own with the right sponsor. From 150 children of all ages, four winners are chosen to be cover models on Parenting OC's monthly magazine.

### Learn & Grow Expo

Scheduled each fall and hosted at The District at Tustin, this free family event focuses on after-school activities, education and special needs resources, featuring over 60 exhibitors and health programs that offer free screenings to the entire family. Also includes the Cute Kid Cover Contest (see above).

### The Bubble-Dash

Exciting to watch and wildly popular, this inflatable obstacle course competition is an exciting event available for sponsorship. Racing for the best time over giant slides and running inside Zorb balls like hamsters, over 100 children compete for prizes and to be on the cover of Parenting OC.

### Top Teachers, Employees & Leaders of OC

This award gala is looking for a sponsor who wants an in-person connection with OC schools. Over 300 teachers, principals and school employees gather for a wine and hors d'oeuvres reception and awards ceremony to find out the winners of the annual school awards. These winners are featured in Parenting OC's March issue.

If you are interested in having us produce your event or partnering with Parenting OC, please call your Media Sales Director or 714-630-4510.
